

Lull Telehandler Parts

Lull Telehandler Part - Telehandlers by Lull have been supplying load placement accuracy ever since nineteen fifty nine. The Lull telehandler can really help make the task faster and easier, whether the job involves landing loads on scaffoldings, transferring loads or positioning heavy steel. These units are complete together with the patented Stabil-Trak stability system in order to ensure operator confidence.

The horizontal placement system by Lull could provide eighty inches of boom travel for precision placement functionality. There are also numerous optional Lull accessories for their telehandlers to help finish whatever work.
