

American Lincoln Parts

American Lincoln Part - The American Lincoln division is presently connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are recognized in the industry as durable and strong machines that suits all the needs of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind version of floor scrubber together with the Clarke Company that is presently likewise owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These kinds of scrubbers are on the market under the trade mark name "Encore". American Lincoln could supply components, warranty service and equipment for these scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like for instance Target and Wal-Mart. The 7765 line has earned the respect of numerous facility supervisors where efficiency and results make a difference. Recently, this floor scrubber model has been used by the architects in different construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on site because of the model's supreme performance level and high standard of quality for polishing concrete.
